

Nanjing Institute of Industry Technology (NIIT) Jiangsu, China, 2013-2014

Photos taken with Kodak V603 camera

RIGHT - Pretending to know something about engineering, mechanics, electrical, electronics...

Welcome to the world of ESL ESP!

A wide lens capturing the campus from the manmade hill
(Not my photo, or good camera!)

You can see that manmade hill, under the word 'Nanjing' ...

Teaching rooms are across the pond - far right of picture, and dorms are to the far left of the picture

13th May, 2014

The campus is not so beautiful on the (many many) cloudy or overcast days

19th Feb, 2014 - Now more than two months into winter...
Maybe the snow will melt soon, maybe...

9th March, 2014 - 7:00am - The time when the snow goes, and the fog comes

2013 - Lovely green rooms (actually, not really...)
Some classes have many boys, while others have many girls, depending on their major

2013 - English test

Beautiful girls

Freshmen
Military Training,
15th to 21st
September, 2013

It is very colourful,
very busy, very
noisy, and
very expensive
